UThandi uneminyaka emi-5 ubudala. Uyakuthanda ukudlala isoka epakini ekufutshane kwindlu katatomkhulu wakhe. UThandi uvumeleke ukuya epakini kuphela nomntakwabo omdala uTim (oneminyaka eli-16), angazihambeli yedwa. Utatomkhulu wakhe usoloko ezama ukuqinisekisa ukuba ukhuselekile engozini.

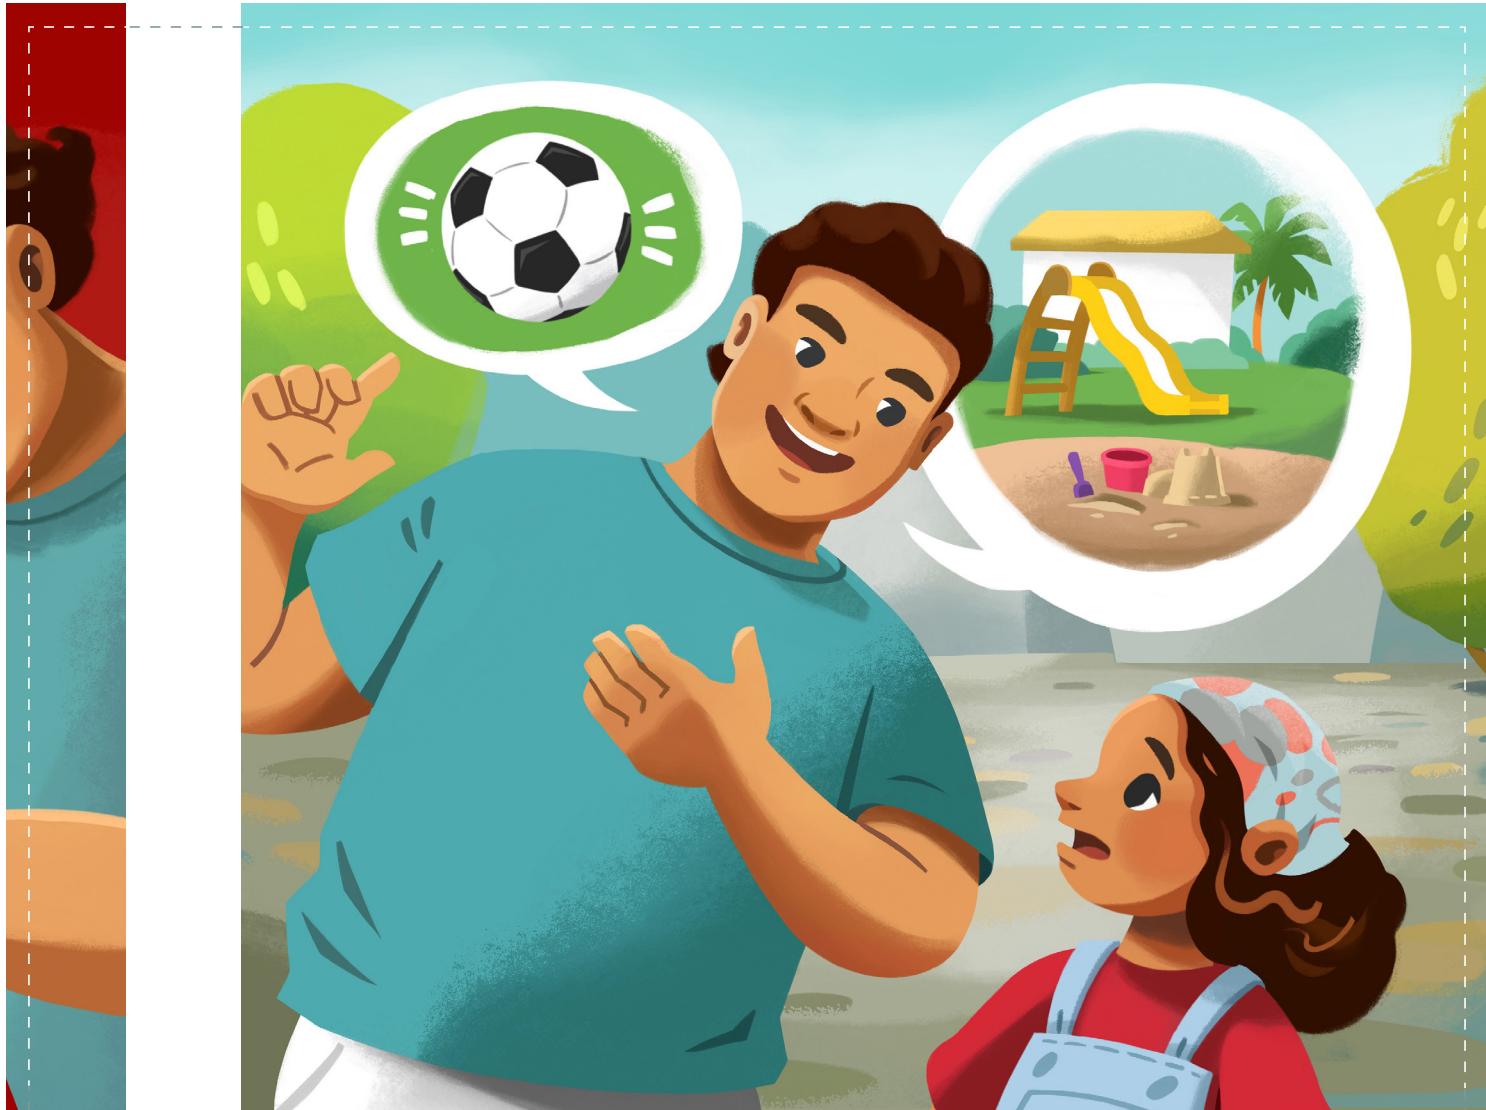

Ngenye imini, uThandi wavele akaya ekhaya xa evela kudlala isoka.
Wayefuna ukuqhubeka eprektiza, nangona wayesazi ukuba akamele
abe lapho engekho uTim.

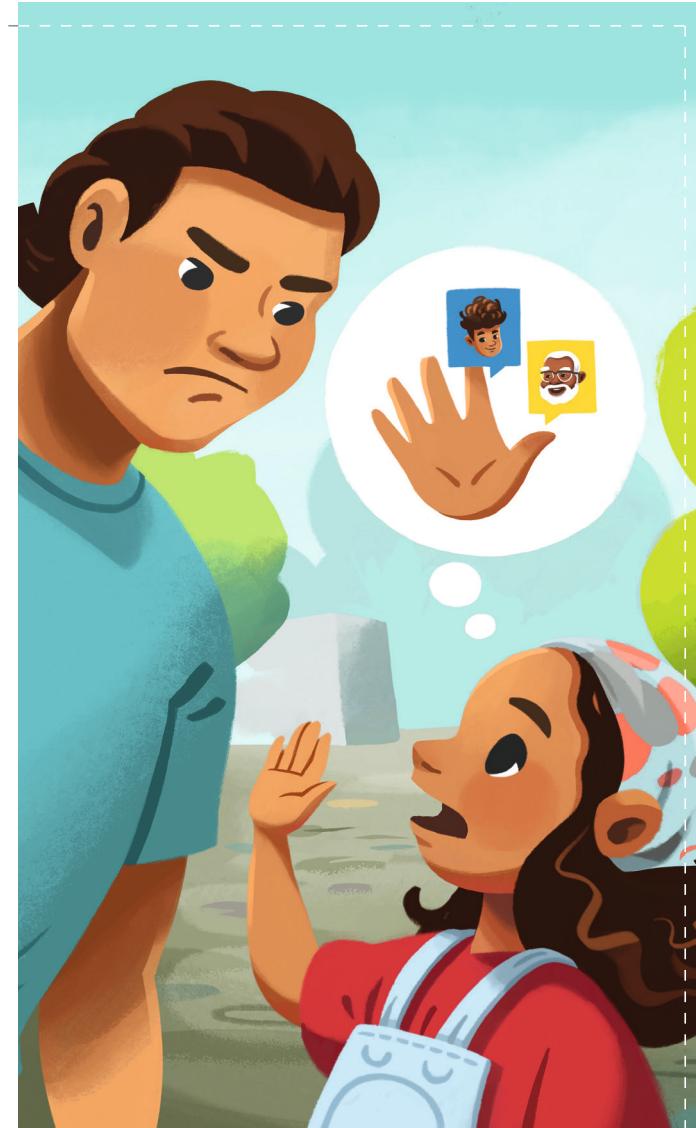

Ngoxa uThandi wayesadlala wabone umntu angathi umqhelile. Lo mfo wathi igama lakhe nguAbe waza wabuza le ntwazana ukuba angakhaba nayo ibhola na. UThandi waziva engakhululekanga kuba wayengamazi kakuhle, kodwa wathi, "ewe".

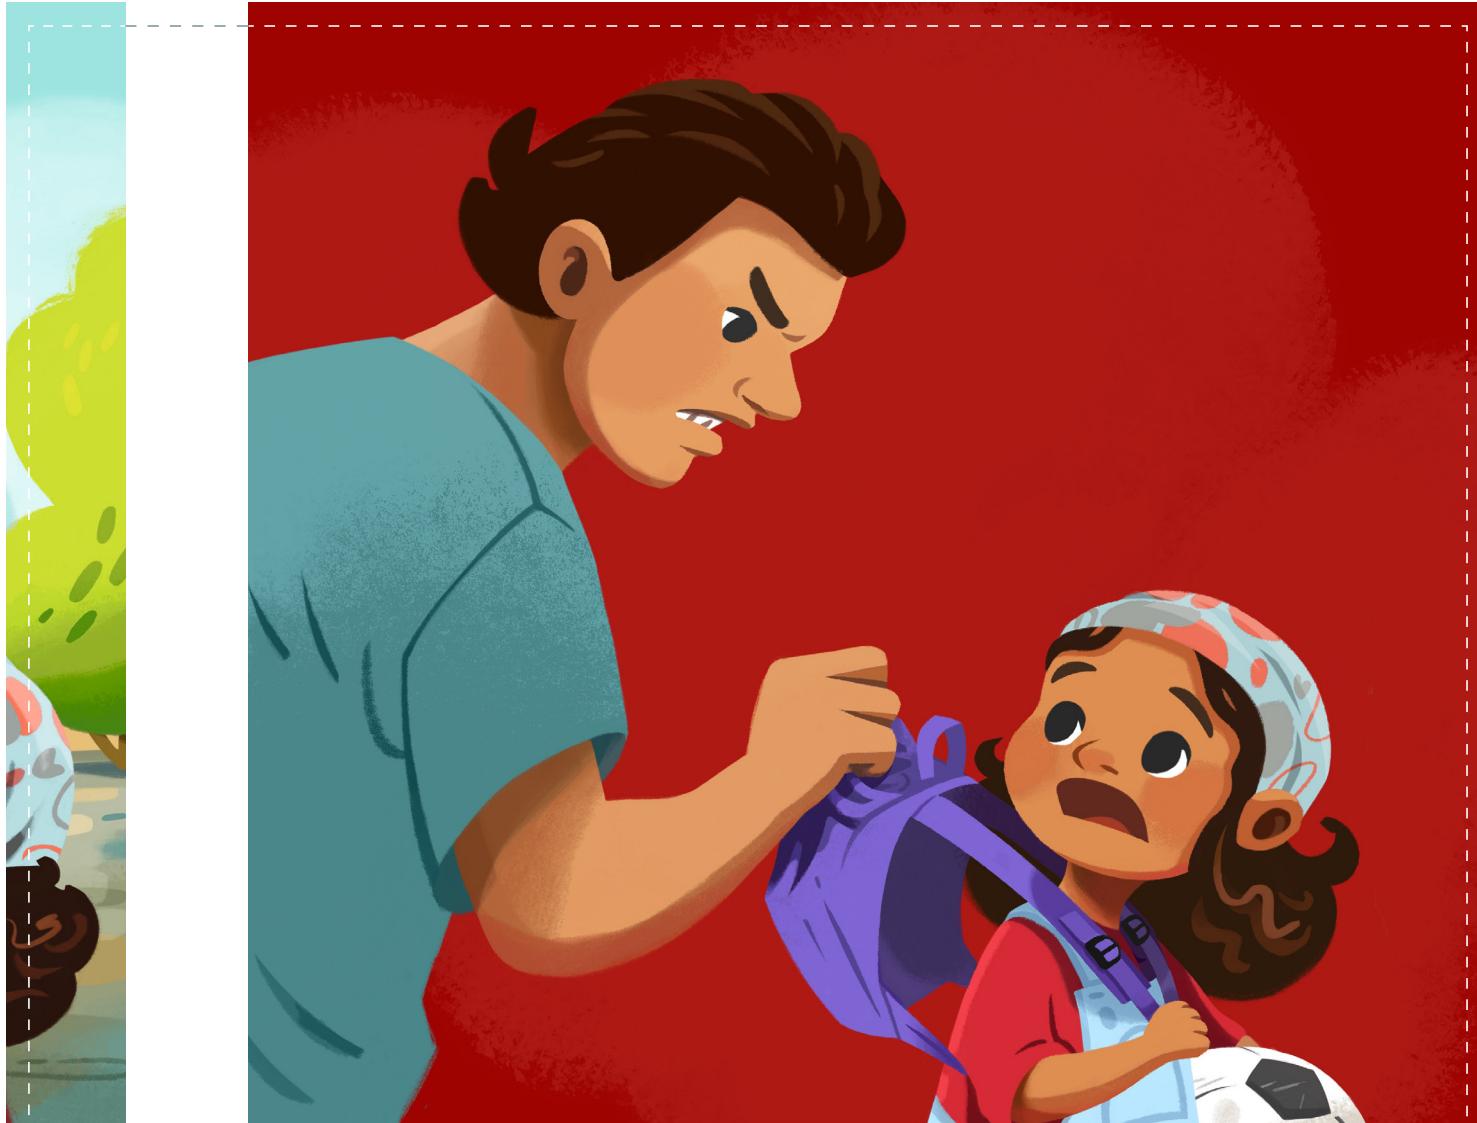

Emva kokudlala ixeshana, uAbe waxelela uThandi ukuba uyidlala kakuhle kakhulu isoka, zatsho zabomvu izidlele zakhe. Lo mfo wambamba kwezo zidlele zibomvu waza wahleka. UThandi ebeprektiza nzima kakhulu, ngoko wavuya xa uAbe ekuphawula oko, kodwa wayengakhululekanga kukuba eye wambamba ebusweni.

UAbe wabuza uThandi ukuba akafuni na ukuya kudlala isoka kwipaki ekufutshane nendlu yakhe. Wathi “Ndinebhola yesoka entsha ndingakunika yona ukuba uhamba nam!” UThandi waphendula wathi, “Andivumelekanga ukuhamba ngaphandle kwemvume”. UAbe wamsebezela wathi, “Yambi ke loo nto. Bekumnandi ukudlala nawe. Kunganjani siyigcine iyimfihlo yethu sodwa lena?”

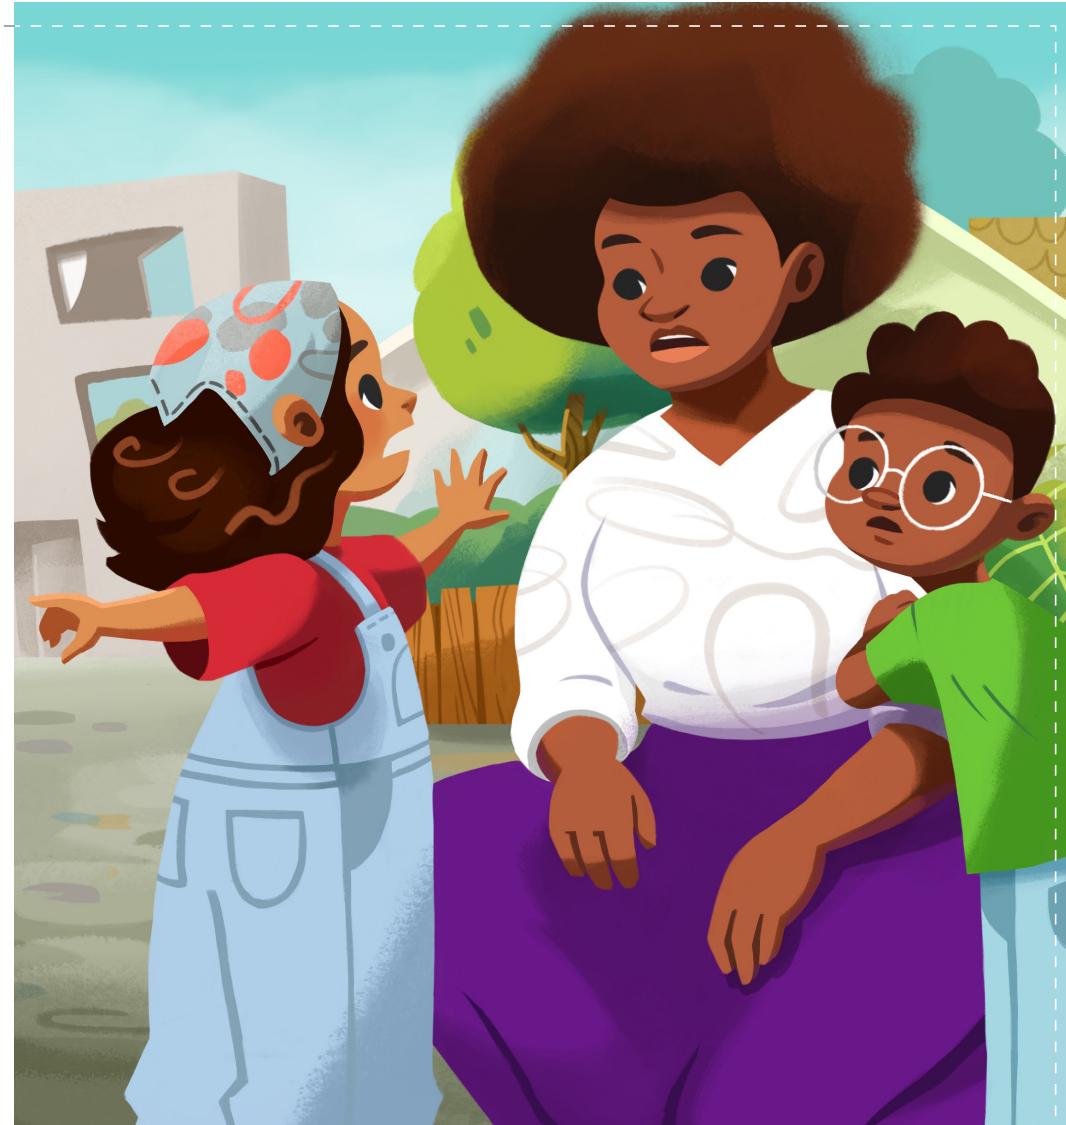

UThandi ebecinga ukuba kungamnandi ukuba nebholo yesoka entsha
nokuba nemfihlo yabo bobabini noAbe kuba uyonwabisa. Kodwa wayesazi
ukuba utatomkhulu noTim babeza kukhathazeka ukuba uye wabaxokisa.
Ngoko wathi, “Hayi, enkosi!”

UABe wabonakala ecaphukile, watsho woyika uThandi. Le ntwazana
yachola ibhola yayo nobhaka wayo yathi yona iyagoduka. Xa ijikayo
ihamba, uABe wathi hlsasi ubhaka wayo waza wakhwaza esithi, "Yima!"

UThandi wayekelela igxalaba lakhe waza ubhaka waphuncuka. Wakhwaza wathi, "Akungotamkhulu wam!" ekhwaza kakhulu ukuze nabanye abantu abasepakini beve. Wakhawuleza uAbe wajonga kwelinye icala wahamba, enethemba lokuba akukho mntu umbonileyo.

UThandi wabalekela kwelinye inenekazi elisepakini
elinabantwana abalingana naye waza wacela uncedo.

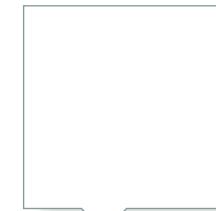

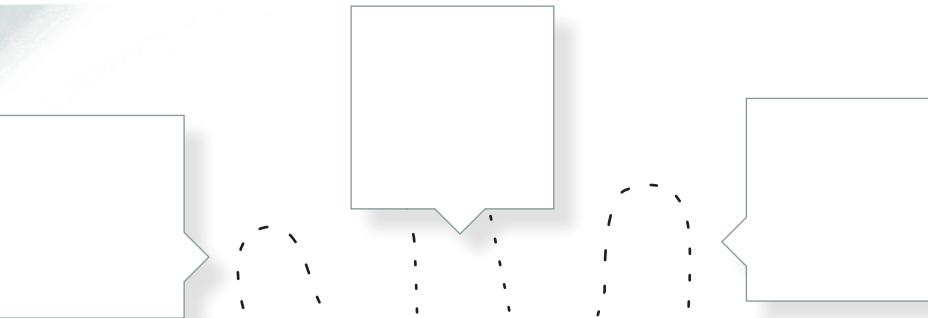

Eli nenekazi lamthi chu ngesandla laza lamnceda lamgodusa ekhuslekile.

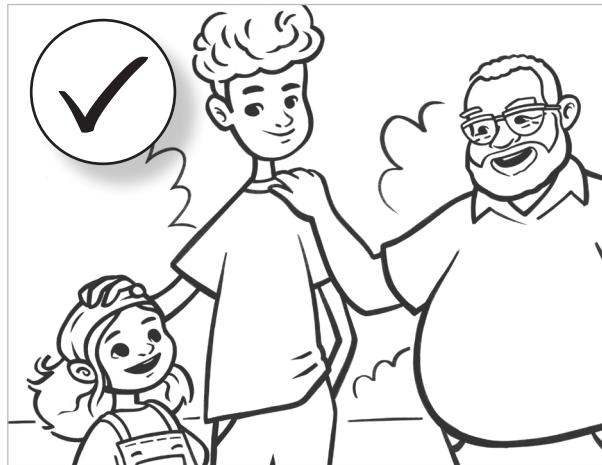

UThandi waxeleta utamkhulu wakhe ukuba uAbe ucele ukuba angayixeli loo nto.
Utamkhulu wakhe wamwola kakhulu waza wathi, "Ungakhathazeki, wenze into
entle. Ndiza kubiza amapolisa ndize ndiwaxelete oko kwenzekileyo."

Ukubanjwa Okukhuselekileyo Nokungakhuselekanga

Ndiyayazi indlela ekhuselekileyo yokubanjwa kwaye yenziwa kuphela xa ndithe “ewe.” Ukubanjwa okungakhuselekanga akwamnkelekanga kwaye kundenza ndizive ndingakhululekanga, ndisoyika, kwaye akumele kugcinwe njengemfihlo.
